

Dear NACA Members,

The NACA 2025 conference is quickly approaching and we cannot wait to see all of you in Clearwater Beach!

Over the course of the conference, attendees will have the opportunity to engage in a diverse range of activities designed to facilitate networking and collaboration within our industry. Our meticulously curated panels will delve into pivotal topics relevant to the Contingency & Entertainment Insurance community, providing valuable insights and sparking meaningful discussions.

In addition to the intellectual enrichment, we have organized several social events to enhance your experience. Our evening cocktail parties, set against the stunning backdrop of the beach at sunset, promise a relaxed yet elegant atmosphere for networking and camaraderie. The Dunedin Golf Club, acclaimed for its challenging yet enjoyable layout, will host our golf event, encouraging friendly competition and interaction among peers, plus a chance to win \$100,000! For our non-golfers, we have a great alternative lined up at the Hilton Clearwater on Tuesday afternoon at our Beachside Bonanza with lunch, cocktails, music, games and more.

For those looking for more opportunities to grow your rolodex, we are bringing back the Speed Dating / Know Your Neighbor event on Wednesday afternoon, especially helpful for those first time or junior NACA attendees. An additional cocktail event has been added following our Speed Dating event and prior to our evening cocktail event on the Wednesday afternoon as well, giving our members more time to meet and mingle with those they may not have had the chance to schedule meetings with prior to arrival in Clearwater. And finally, we have refocused our Thursday agenda to foster more networking time, providing an enhanced breakfast offering and hosted bar to take advantage of the final day of conference activities.

This year's conference has drawn over 375 participants, reflecting the close-knit and supportive nature of the NACA community. Our aim is to ensure that each attendee finds ample opportunities to connect with colleagues, exchange ideas, and forge lasting professional relationships.

2 friendly reminders:

- **Golf Event Groupings:** if you are playing in the golf event and have a preferred foursome, please send your group info to mtaylor@tmhcc.com if you haven't done so already.
- **Open Board Seats:** This year, we have 1 open seats on the NACA Board of Directors. If you are interested in running, please email a board member (or nacontingencyassociation@gmail.com) and we will ensure that you are added to the ballot. Voting will take place during the conference, and each member company will get 1 vote.

Lastly, while we will be sending out a comprehensive agenda in advance of the conference, below is a summarized timeline for our 2025 events:
